CRANE ISD MISSION STATEMENT

Crane schools are part of a community that personalizes learning and nurtures thoughtful, knowledgeable citizens

and we believe.....

- ✓ student learning is our highest priority.
- ✓ students learn best when taught with love, compassion and understanding
- ✓ students learn and master skills at different rates and in different ways.
- ✓ each student is unique and has worth.
- ✓ students learn best when motivated and inspired.
- ✓ community and parental involvement is critical to student success.
- ✓ success motivates.
- ✓ learning requires the active participation of the learner.
- ✓ independent thinking is essential.
- ✓ expectations affect outcomes.
- ✓ learning is a lifelong process.
